

A FUTURE FULL OF HOPE and the Synod

Faith and the Church

(How do we practise our faith?)

Thoughts from the Prep Document:

‘For many young people, faith has become private and not easily shared.’

‘Unfortunately, in some areas of the world, young people are leaving the Church in large quantities.’

‘Young people could attend, participate in, and leave Mass without experiencing a sense of community or family as the Body of Christ.’

‘Young people have difficulty finding a space in the Church where they can participate and lead’

‘If it is difficult for young people to feel a sense of belonging and leadership in the Church.’

A FUTURE FULL OF HOPE and the Synod

Our thoughts:

Is this like your own experience of Church?

Do you keep your faith private? Why?

What role would you like to take on in your parish?
