

## Laudato Si'

**“Because of us, thousands of species will no longer give glory to God by their very existence, nor convey their message to us.”**  
*Laudato Si' 33*

Pope Francis asks us to consider what is happening to our common home and in the first chapter of *Laudato Si'* considers the loss of biodiversity.

This photo shows a Comma butterfly on ripening sedum in a local garden of one of our parishioners.
